Special chisels with right hand skew 30°. Suitable for cleaning out corners, dovetails and jobs in areas that cannot be reached by standard chisels. Forged blade is made of traditional Cr-Mn steel and is heat treated to 59 HRC. Ergonomic handle from hard and hefty hornbeam wood is strong enough to withstand heavy blows with a mallet. Combination of the stained hornbeam handle, brass ferrule and improved grinding of the cutting edge creates unique design of tool.

Set consist of chisels of same width, left/right version.

Code of goods	Blade width (mm)	Blade length (mm)	Total Length (mm)	Handle size (mm)	Image
851656 6	118	252	134 x 31		
851662 12	124	258	134 x 31		
851670 20	132	277	145 x 37		
851676 26	138	283	145 x 37
