High Quality Edging for Edgebanded Surfaces - available Un-Glued (U/G) for Hot Melt Edgebanders or Pre-Glued (P/G) for Pre-Glued Edgebanders or Manual Edgebanding using Virutex AG98R or Iron or other traditional means.

*\*Please beware of cheaper, imported imitations - which have been known to discolour and breakdown over time\**

We have the largest range of stocked Edging in Australia supplied by quality manufacturers.

We offer Edging Solutions for all users - DIY, Hobbyists, Micro Trade Users through to High Industrial Cabinetry / Furniture makers.

**Product Greenguard Certification:-**

Surteco Australia has been producing sustainable Edgebanding solutions for years. ABS Edgebanding offers a chlorine-free polymer that maybe recycled or incinerated with general wood waste, reducing the amount that goes into landfills. Surteco Australia ABS Edgebanding are manufactured with high quality resins. ABS Edgebanding are produced in different thicknesses and widths, in solid colours, woodgrain and designer patterns.

Please click here to download Greenguard certification 90304-10 (Solid Colors).
