Part Number	TDX680-4
Barcode	5055186500269
Brand	Josco
Packaging + Shipping	
Shipping Weight (Gross)	0.55 kg

The Garryson 12mm TDX Carbide Burr has an extra strong tooth formation that makes it especially ideal for heavy duty, fast stock removal on ferrous metals.

The tree shaped burr is a very versatile cut. It is great for rounding off edges and making concave cuts. Plus you can use the pointed end for cutting in hard to reach areas and acute angled contours.
