This dust collector top bag is designed specifically for Oltre FM300 dust collectors or similar models. Constructed of industrial-grade quality, it provides superior protection and resistance to harsh working environments. Available in Needlefelt or Calico/Cotton, you can rest assured your dust collector will perform to its highest potential.

Please note the Calico/Cotton option is suitable to be used as a Top Filter or Bottom Collection Bag on your Dust Collector.

The Needlefelt Bag is suitable for use as a Top Filter.
