Shipping Weight (Gross)	1.48 kg

Specially designed for cutting doors, door frames, base boards and skirtings, it is ideal for installers of parquet or such other floor coverings as carpets, ceramic, etc...Equipped with a powerful motor it provides a clean and precise cut easily and quickly. The cutting height and depth are adjustable by means of its milimetric gauges. Its cutting depth allows to cut the doors at once. Includes dust collection nozzle and pipe for connection to an external dust collector.
