The 3 Row Stainless Steel Hand Brush Long Handle is a very versatile tool. They are ideal for deburring, rust and paint removal, cleaning, edge blending and surface preparation.

### Features:-

- Long Wood Handle
- FSC certified timber handle
- Handle drilled for easy storage

### Applications:-

Suitable for deburring, rust and paint removal, cleaning, blending and surface preparation.

There are plenty more hand brushes within the Josco range. They come in either a 3, 4 or 5 row variety, and a converged face style is available also. To find which is more suitable for your project, consider how accessible your work piece is, and if it requires a longer brush extension (handle) than normal
