Brand	Dremel
Packaging + Shipping	
Shipping Weight (Gross)	0.0 kg

For cleaning, deburring and surface-finishing resistant materials like stainless steel and silver. Stainless steel brushes do not cause after-rust when used on corrosive-resistant materials like pewter, aluminum and stainless steel. Ideal for cleaning, deburring and surface-finishing. Very effective on flat surfaces and in hard-to-reach places, such as slots.

Use on items made from stainless steel, aluminum, silver, pewter or other white metals

Very effective on flat surfaces and in hard-to-reach places, such as slots

Stainless steel wire bristles
