Barcode	4014549117156
Brand	Festool
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	20

Solid one piece, transparent splinterguard for Festool jigsaws. With the first cut, the splinterguard is perfectly matched to the inserted blade, providing a zero clearance insert for precision cutting. The splinterguard significantly improves the cut quality and eliminates time consuming rework by reducing tear out, even in delicate to cut materials like melamine. Use a new splinterguard with a new blade or when there is a noticeable drop in cut quality.
