Barcode	662949038713
Brand	Drill Doctor
Size	2.5-19mm
Features	
Standard Inclusions	1 x Soft Carry Case
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The DD750X shop model is designed for durability and has the flexibility required to sharpen the largest range of dull or broken bits,including split points and masonry bits. The DD750X also adds increased capacity, sharpening 3/32" to 3/4" bits.

One chuck sharpens all sizes 3/32" -3/4"

Longer jaws hold bit more precisely and jaw guides eliminate jaw twisting on small bits

'Push to Stop' design on the drill point splitting port will not allow you to over split the bit point

Adjustable material take-off allows user to change the amount of bit material that can be removed to further extend the life of your bits

User replaceable diamond sharpening wheel design for simple replacement

Cast aluminum point angle shuttle for added durability

Metal sharpening tube

Permanent magnet motor produces consistent power, regardless of speed or load

Sharpens High-speed Steel, Carbide, Cobalt, Tin-coated and Masonry bits

Can sharpen 3/32" - 1/2" reverse-twist (left-hand) drill bits with optional accessory

Custom Point angle sharpening - choose any angle from 115 degree to 140 degrees
