44569	Size: 16mm x 25mm	9800D-4	\$90.3
6921	Size: 6mm x 16mm	9400D-4	\$49.9

Model	
Type	Burr
SKU	6921
Part Number	9400D-4
Barcode	5055186500375
Brand	Garryson
Packaging + Shipping	
Shipping Weight (Gross)	0.55 kg

ATA Garryson Burrs are ideally suited for freehand stock removal, weld preparation and the finishing of manganese alloy steel components. These applications are generally found in aircraft, shipbuilding and other specialised industries.

ATA Garryson produced the burrs on a computerised, numerically controlled fluting machine. They have a specially developed tooth design providing a fast clean cut right to the tip of the tool, with a more even tooth loading over the whole contour of the cutting head. They achieve a high rate of stock removal combined with a smooth finish on metal, plastics and other materials.
