

PUSH STICK ORANGE 415MM BY BOTECO

This industrial quality safety device is designed to allow people to push wood through a saw, router, or other cutting device while keeping hands clear of the blades. In addition to improving workplace safety, push sticks can also help people better control the pressure on the wood, resulting in smoother, cleaner cuts.

- Features**
- Material: Reinforced polyamide. Resistant to oils and greases.
 - Finish: Satin
 - Product compliant with standard UNI EN 19085-5:2017.
