An excellent pairing with the Lynx Tenon Saw, with similar specification including the mirror finished brass back and American black walnut handle with it's durable hard gloss finish. With 20tpi this is an excellent saw to help with your dovetailing work. Packed in individual card presentation box. Available in either rip tooth formation (for cutting down the grain) and crosscut tooth (for cutting across the grain). Blade depth is 2 1/4" **Features For Walnut Handle Saws:**  
Walnut Handle finished with Danish Oil  
Traditional Solid Brass Screws (medallion not included as per picture)  
Mirror Polished Brass Back  
Hand Sharpened  
Laser Marked with Lynx Logo  
Can be re-sharpened using Precision File  
Packed in Cardboard Box
