The Pax Flexible Flush Cutting Saw has a very flexible alloy steel bade which cuts on the pull stroke. As it has no set, this saw is excellent for use in cutting dowels etc. as you can get the saw right to the edge and leave a very smooth surface. The saw has a brightly polished brass back and a Walnut handle. Blade length 6". 20tpi as standard. Individually blister packed.

Features

- Special Flexible blade for cutting dowels flush against the surface of wood - no set means no scratch marks
- Walnut Handle with Brass Ferrule
- Mirror Polished Brass Back
- Etched with PAX logo
- Packed in blister pack with back card
