A 4" version of the 10" Reversible Gents Saw, this saw is made to facilitate the right or left-handed worker. The cranked rosewood handle allows you to cut into even smaller awkward corners than the larger Reversible Saw. This saw has a brass back and a beech handle. **Features:-** Specially designed blade shape and cranked shaft allow cutting in awkward areas - can flip the blade round using the rotating brass back to help cut in these areas and also facilitate left and right handed woodworkers.
