The Reversible Gent's Saw has been made in such a way to facilitate the left and right-handed worker. The cranked rosewood handle allows you to cut into the most awkward of corners with ease. This saw has a brightly polished brass back and a Rosewood handle. **Features:-**

Specially designed blade shape and cranked shaft allow cutting in awkward areas - can flip the blade round using the rotating brass back to help cut in these areas and also facilitate left and right handed woodworkers.

Rosewood Handle with Brass Ferrule

Mirror Polished Brass Back

Etched with PAX logo

Can be re-sharpened
