

HEAT GUN 1500W PD52X BY VIRUTEX

Heat Gun 1500W PD52X by Virutex

The heat gun, with electronic temperature control, features two heat settings to accommodate a wide variety of jobs. It is the ideal tool for stripping paint and varnish. It's also suitable for shaping and welding plastics, removing decals, shrinking wire wraps, defrosting of water lines and more! This tool can work with the majority of accessories available on the market.
