Used by Glenn primarily for the initial shaping of dry bowl blanks, the GL4 5/8" Bowl Gouge has a 55 degree double bevel signature grind for fast wood removal and fine finish. It also helps you maintain critical bevel contact when reaching down inside a bowl. Highly recommended by Glenn for use as a general purpose bowl gouge. Made by Hamlet Craft Tools, Sheffield, England. To help you maintain the grind supplied on your GL4 gouge, detailed easy-to-follow sharpening instructions are included. **Features:-**

- Made from M2 high speed steel
- Excellent edge holding ability
- Can be honed to a razor sharp edge
- Double bevel grind for faster, cleaner cutting
- Parabolic flute profile for easier sharpening and superb chip clearing
- Swept back profile with 55 degree double bevel grind
- Perfect for finishing cuts on bottoms of bowls, end grain and high figured areas
- Supplied with beautiful 16" stained beech hardwood handle
- Detailed sharpening instructions included
