Shipping Weight (Gross)	1.48 kg

Strong and compact professional vacuum cleaner for dust and liquids, specially designed for connecting power tools. Thanks to its high suction power it allows to work in more comfortable and safety conditions. Provided with a socket for connecting the power tools it has a electronic switch on system wich activated the vacuum cleaner when switching on the tool plugged in it, and stops it some seconds later than the tool, to allow thw vacuum cleaner to vacuum the remaining dust on the tool and the pipe. Electronic adjustment, specially suitable for rotary orbital sanders to avoid the possibility they can remain stuck to the workpiece when sanding, due to the suction power.
