Packaging + Shipping		
Shipping Weight (Gross)	1.48 kg	

The Diamond 300 panel saw is the starting point of the ToughCut industrial sliding table saws. The new manufacturing techniques, continuous research, and development coupled with advanced design solutions are all factors that ensure that the Diamond 300 can offer outstanding accuracy, quality, and value.

Features:

The cast iron saw unit provides extra support and stability for reduced vibration.

Large section profile crosscutting fence with reversible fence stops

The saw unit is mounted on dual vertical shafts for smooth and accurate movement.

Rolling along tempered and ground prismatic guides guarantees a smooth and precise sliding table.
