Toughcut Diamond 400 is a heavy, professional quality panel saw ideal for medium-sized businesses. The perfect answer for easy and accurate cutting of panels up to 3600mm long with electric Rise / Fall & Tilt. Digital readout on the rip fence and both crosscut stops.

Features:

The cast iron saw unit provides extra support and stability for reduced vibration.

Large section profile cross-cutting fence with reversible fence stops.

The saw unit is mounted on dual vertical shafts for smooth and accurate movement.

Quick speed change system, access from the top with a practical and efficient handle for quick tension.
