A Tenon Saw made with the similar intentions as the Lynx Handsaw with Beech handle, this is another excellent value saw aimed at a wide range of woodworkers who need the essential saws in their toolbox. This brass backed saw is made from alloy spring steel and has brass plated screws as standard in the steamed beech handle. Individually packed in a wallet. Available in either Rip tooth (for cutting with the grain) and in crosscut tooth (for cutting across the grain).  
 Blade Depth: 3 1/8"  
 Red Stained Beech Handle  
 Finished Brass Back  
 Laser marked With Lynx Logo  
 Can be re-sharpened
