Technical - Main	
Material	Brass Cap
Country of Origin	
Manufactured in	India
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Please note - Product Image displays Steel Cap As the name suggests a very good plane for general smoothing and final finishing work. A must for every workshop. The sole of the plane is available in a plane finish as well as a ribbed finish for a smoother action on damp or resiny lumber. The long sole of the planes ensure good results for flattening large surfaces without any bumps and valleys. The planes have a ductile cast iron body which is fully stress relieved and carbon steel blades.
