

#5-1/2 370MM (14-1/2") X 60MM SMOOTHING BENCH PLANE WITH
STEEL CAP 270070 BY SOBA

As the name suggests a very good plane for general smoothing and final finishing work. A must for every workshop. The sole of the plane is available in a plane finish as well as a ribbed finish for a smoother action on damp or resiny lumber. The long sole of the planes ensure good results for flattening large surfaces without any bumps and valleys. The planes have a ductile cast iron body which is fully stress relived and carbon steel blades.
