Hand Held Dresser useful for straightening and shaping grinding wheels. Has a cast iron body and replaceable toothed cutters which are of hardened steel. Keep your grinding wheels in top shape with the Soba Star Wheel Dresser, designed to maintain the flatness and sharpness of your wheels for precise and efficient grinding. This dresser features a star-shaped hardened steel surface that easily cuts and cleans the grinding wheel, removing any glaze or buildup that can compromise its performance.

### Specifications

Surface material: Hardened steel

Cast Iron Body

### Features

Durable hardened steel surface for long-lasting performance

Ergonomic handle for a comfortable grip and easy control

Compatible with most grinding wheels

Ideal for grinding applications that require precision and accuracy

### Benefits

Maintains the flatness and sharpness of grinding wheels

Prevents wheel glazing and buildup for consistent performance

Increases productivity and reduces downtime

Ensures precise and accurate grinding results

### Applications

Precision grinding
