This Special discount is due to tarnish on brass handle - 1 only The E.T. Roberts & Lee Parkstone saws are a range we acquired through the purchase of the Roberts & Lee Saw Company but are now manufactured alongside our other top quality saws using the same skill and craftsmanship as all our other products. The Roberts & Lee Dorchester Dovetail saw has a mirror finished, heavy folded brass back that offers fine balance and tension to the blade. The blade is hand sharpened and has a danish oiled walnut handle which offers the perfect comfort and grip. The handle is fitted with solid brass screws and caps. This is one of our finest saws and has both top cutting ability and aesthetic beauty. This is a firm favourite! Item has 20tpi and is available as rip or crosscut in both 8" and 10" versions. **Features:**

- Walnut Handle finished with Danish Oil
- Traditional Solid Brass Screws
- Mirror Polished Brass Back
- Hand Sharpened
- Laser marked with Dorchester Logo
- Packed in Wallet
- Can be re-sharpened using Precision File
