

## 762MM (30") SWING X 1060MM (40") BETWEEN CENTRES SUPER HEAVY DUTY WOOD LATHE 3HP WL3040A BY WOODFAST

The WL3040A is the latest heavy lathe featuring a 3HP inverted motor and innovative electronic bed extension which allows the turner to safely turn that extra-large special piece very easily. This super heavy duty lathe with a massive 794mm swing and 1016mm between centres, can handle the toughest and heaviest jobs.

Cast iron components and heavy duty construction give this lathe extremely sure footing and minimal vibration. The electronic bed extension minimises the foot print of the lathe when not turning longer stock.

### Features

The innovative Electronic Bed Extension moves to allow up to 794mm swing.

Heavy Duty 3HP 415V motor powered by

1PH **15amp** through a high quality inverter.

Super heavy duty banjo with premium 12" solid steel topped Tool Rest.

Tail Stock includes a tool storage area.

Remote Magnetic Control Box for the Spindle and the Bed movement.

*Please note product images are shown with optional Mobility Kit, not included as standard.*
