This new lathe sets all the standards for a mini variable speed lathe, and is the best value on the market. Solid construction, superb finish and the convenience of electronic variable speed, perfect for beginners or professionals.

Featuring 0.75HP power, a remote (magnetized) control box and a 200mm premium tool rest, this lathe is fantastic value. The optional bed extension allows the turner to produce chair or table legs as well as traditional bowls and smaller spindle pieces. In addition, mounted at the head stock end, the extension increases the swing to 380mm.

Features

Easy access to the pulleys to allow a quick change across the speed range.

Heavy duty banjo with premium solid steel topped Tool Rest. Premium magnetised control box with Digital Speed Display. Emergency Stop and Reverse switches.

Powerful 0.75HP motor provides plenty of power in this mini lathe.

Quality "soft grip" lever releases the motor for a belt change.
