Model	
Type	Angle Grinder
SKU	8001679
Part Number	577031
Barcode	4014549391365
Brand	Festool
Size	125mm (5")
Technical - Main	
Power Source	Cordless
Amp Hour	5.2Ah
Battery Voltage (V)	18V
Mount	M14
Brushless Motor	✓
Speed Range	4,500-8,500RPM
Dimensions	
Product Weight (Net Weight)	2.7 kg
Features	
Standard Inclusions	SYSTAINER SYS3 M 187
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The powerful AGC 18 cordless angle grinder is dust-resistant and long-lasting thanks to the enclosed brushless EC-TEC motor and protected electronics. The continuously adjustable speed of 4500 to 8500 rpm ensures that cutting and grinding is tailored to the material. The AGC 18 is logically designed for optimum ergonomics during cutting work. For especially smooth operation and fewer vibrations, the motor and housing can be disconnected. **Main applications:-** Cutting the toughest materials (metal, stone and concrete materials)

Easy grinding and roughing work (e.g. deburring metal)
