

## ELECTRICAL TESTER FLUKE T5-600 BY FLUKE

SKU	Option	Part #	Price
8001722		FLUT5600	\$339

Model	
Type	Electrical Tester
SKU	8001722
Part Number	FLUT5600
Barcode	095969053129
Brand	Fluke
Technical - Main	
AC Current	0-100A
AC Voltage	600V
Category Rating	CAT III 600V
DC Voltage	600V
Dimensions	
Product Length	30 mm
Product Width	51 mm
Product Height	203 mm
Product Weight (Net Weight)	0.3 kg
Workshop (Site) Info	
DC Voltage	600V
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

### Features:-

Measure current up to 100 A without breaking the circuit  
 Meter automatically selects AC or DC voltage, up to 600 V  
 Resistance measurements up to 1000 Ω plus continuity test  
 Work in tight spaces with detachable SlimReach probe tips  
 The T5-600 Electrical Tester is a versatile troubleshooting tool you can carry to every job site. Use it to check voltage, continuity, and current, all with one compact, rugged tool. Just select volts, ohms, or current and the tester does the rest. For higher voltage applications check out the Fluke T5-1000. *'This meter is perfect for my use as I do HVAC and Electrical work, and this will give me what I need for troubleshooting and performance of equipment.'* - Paul

**Measure current up to 100 A without breaking the circuit with OpenJaw design** The trendsetting OpenJaw design allows for fast and easy current measurement, safely and without metallic contact to a live conductor. The integrated protection circuit allows it to stay connected to a voltage source longer than a solenoid tester would be able to.

The T5-600 is also designed to:  
 Withstand a 10 ft. (3 m) drop  
 Conserve battery life with auto-off mode  
 Fit in one hand with handy probe storage in the back of the holster

Accept Fluke accessory test clips with the test leads  
**Meter automatically selects AC or DC voltage for tests up to 600 V** Voltage tests are faster and easier than ever before. Just turn the knob to voltage (V) and place your leads

on the test points. The T5-600 auto-selects either AC or DC voltage, depending on what is detected. This meter is suitable for both residential or commercial applications and is designed to keep you safe with a CAT III 600 V rating.
