When selecting the size most people prefer to get the next size up from their pants size to allow for clothing thickness, or, use a tape to measure around your waist or hips, depending upon where you wish to wear the belt. Belt measurement will be to middle hole when buckled up, as shown in photo. **Features:-**

Made from full grain, vegetable tanned leather

Heavy duty thread used

Nickel plated tubular rivets used

Stained edges for a professional finish

Colour Options:-

Brown Leather

Black Leather

Please note our stock is made up of mixed colours - please note your preference (if any) in the cart and we will do our best to supply from our stock, if you are happy to wait for a custom order - we will also happily order and supply upon receiving your order comments
