Quick Release SG Iron Steel Woodworking Vice by Oltre
Our Vices are made from High quality hardened **Spheroid Graphite Iron** (S.G. Iron Steel), and we guarantee our products are unbreakable since this is one of the strongest in the range of Vices being manufactured for heavy Duty Applications and has a very high ductile strength. Therefore it does not break in the normal course of its life for its utility. This is one of the main reasons we provide a **Lifetime Warranty** (Vices & Anvils only).
"Quick release" feature allows the jaws to be opened or closed without using the main spindle. Just by pressing the trigger which results precious time saving.

* Adjustable "Peg" allows long pieces or timber to be held against a stop on the bench top whilst planning routing, chiseling, etc.

Features

Solid Steel Lift Dog With Lift Pin

Ideally Suitable for the Professional Wood Worker

Rapid Action Nut

Rapid Action Lever for Quick Adjustments
