The Heavy Duty Fixed Bench Vice with Fixed Base by Oltre provides maximum stability and strength for all your projects. Constructed from high grade iron, and featuring a reversible clamp, this vice is designed for long lasting use and reliable holding. With its heavy duty fixed base, it offers maximum stability while you work.

Our Vices are made from High quality hardened **Spheroid Graphite Iron** (S.G. Iron Steel), and we guarantee our products are unbreakable since this is one of the strongest in the range of Vices being manufactured for heavy Duty Applications and has a very high ductile strength. Therefore it does not break in the normal course of its life for its utility. This is one of the main reasons we provide a **Lifetime Warranty** (Vices & Anvils only).

Features
