

450MM (18") DELUXE WOOD / METAL BANDSAW WITH ELECTRONIC
VARIABLE SPEED 2.5HP 240V BS450A-EVS BY WOODFAST *NEW
ARRIVAL*

If you need to process larger materials, then a higher cutting capacity and motor power are required and that’s why the BS450A-EVS the 18” Deluxe 2.5HP bandsaw with Electronic Variable Speed of the Woodfast “Aussie Muscle” series has been developed. Compared to its 14” brother the BS350D, this saw is more heavy duty with square column welding and enhanced body structure. Safety features including a kick-off Emergency Stop and Foot Brake system, as well as micro switched doors, make this saw ideal for home, school and workshop users.

This powerful bandsaw is outstanding value and a more than capable addition to any workshop.

Features

Precisely balanced and Heavy Duty Bandwheels ensures great inertia output and delivers perfect cutting and heavy duty resawing.

Lower Double Spring Loaded Tool Less Blade Guides System is our unique design, adjusting the guides cannot be any easier (Please note the Upper Tool Less Blade Guide is not Tool Less and requires an Allen Key).

150mm High-Lo fence, gives great support for hard and thick wood cutting and the fence can also be used on the other side of the blade.

Blade Quick Tension-Release System + Normal and Accurate Tension System makes blade changing much quicker. While not in use, release tension to extend the blade life.

Electronic Brake (Please note this model does not include the foot brake).
