SICUT (Spencer Innovative Cutlery). Established in 1994, Now trading in the third generation of the spencer family with a goal to supply high carbon bladeware at affordable prices – 100% emphasis on function. Spencer prototypes extensively field tested before becoming SICUT production model. Australian designed for Australian usage. All Sicut Steels are manufactured with an ergonomic, textured, slip-resistant, easy-to-clean polypropylene injected handle, which withstands both high and low temperatures. They have an impervious steel-to-handle seal that provides the utmost in sanitary qualification.
