CSA Listed
The Fluke TL75 Hard Point™ Test Leads are a set of comfort grip, PVC-insulated probes. TL75s offer the convenience of a test lead and probe together in one unit with a variety of connections. This set of test leads are recommended for all general-purpose measurements and are compatible with a wide range of Fluke meters and tools. Designed for safety:- The Fluke TL75 Hard Point™ Test Lead Set is CAT II 1000 V, 10 A rated. When the protective caps are placed on the leads, the ratings jump up to CAT IV 600 V, CAT III 1000 V. Compatible with Fluke alligator clips:- Expand your measurement capabilities with special adapters to your TL75 set. Add alligator clips or adapters to accomplish even more:
