KINCROME's Heavy Duty Pressure Sprayer is designed specifically for use with common acid, alcohol, hydrocarbon & oil based chemicals that are commonly used in professional automotive & industrial applications.

Each Kincrome Pressure Sprayer includes an adjustable nozzle to control the spray pattern for a variety of applications, as well as chemical identification caps that can be added to the handle when using more than one sprayer with different chemical contents.

### Features:-

Suitable for use with most common automotive & industrial chemicals

VITON® Seals

Wide base for greater stability

Translucent tank with level indicator

Large opening for easy filling

Safety valve and lock
