### **Welding Hammer with Rubber Grip 5WHRG by Mumme, Manufactured in Australia**

Used to chip off slag and spatter around welds especially in holes and difficult corners

Suitable for peening welds of hard facing cast iron

Ends are heat treated for toughness and durability and

sharply pointed to access small areas and corners

Heads welded to handle at the right point for proper balance and comfort

Made from first grade high carbon spring steel

Ribbed rubber grip handle for comfort and insulation from

radiant heat whilst welding

Manufactured to worldwide welding standards
