The Crescent Lufkin® Fiberglass Long Tapes are ideal for measuring long distances around your home or on the job. Available in multiple lengths and blade print styles, the long tapes are designed to be durable and long lasting, regardless of the application they're used for.

Features

- 3:1 gear ratio for fast winding
- handle tucks away for storage and transport
- Durable plastic ring surrounding tapeline and tubular frame section for added strength. Prevents fiberglass tape from getting dented or twisted
- Large, combination end-hook for versatility and one person use
- Dual sided printed blade with metric on top and SAE underneath
- 40+ strand fiberglass to reduce blade stretching which leads to inaccurate measurements
- Over-mold handle for comfortable grip
- increments in cms
