Warranty	2 Years
Packaging + Shipping	
Shipping Weight (Gross)	0.181 kg

Delivers maximum runtime, maximum power and more life than standard lithium-ion batteries. The M12 3.0Ah REDLITHIUM-ION Compact Battery features superior pack construction, electronics and performance to deliver more work per charge and more work over the life of the pack than any battery on the market. With MILWAUKEE durability built into each pack, this battery runs cooler and performs in climates below 0 °F/-18 °C. Its compact design fits in tight work spaces and reduces user fatigue. Managed by MILWAUKEE's exclusive REDLINK Intelligence, the battery features overload protection to prevent you from damaging your cordless power tools in heavy-duty situations, while the discharge protection prevents cell damage. The temperature management system and individual cell monitoring help maximise battery life. Upgrade to the M12 3.0Ah REDLITHIUM-ION Compact Battery to instantly increase the runtime and durability of your MILWAUKEE M12 cordless tools.

Features:

REDLINK™ Intelligence: Provides optimised performance and overload protection using total system communication between tool, battery and charger.

Fuel gauge onboard: Displays remaining runtime for less downtime on the job.

Versatility: Powers more than 50 MILWAUKEE® M12™ cordless power tools.

Best-in-class construction: offers long lasting performance and durability.
