Size	12V
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M12™ Drain Snake is the ultimate service plumbing solution for tough jobs up to 60mm max drain lines; and weighing only 4.8kg. It's the lightest battery powered professional drain cleaner on the market. It's unique, hybrid design provides the benefits of both handheld and floor based drain cleaners in one machine. The tool's fixed drum shield with flat base protects users and fixtures while providing maximum tool support for easy cable feed. Plumbers, Facility Maintenance, and Property Managers will eliminate setup time when they switch from their corded drain cleaning machines to the M12™ Drain Snake. Powered by REDLITHIUM™ Battery Pack which delivers more work per charge and more work over pack life than the competitors. REDLINK™ Intelligence provides optimized performance and overload protection against abusive situations.

Features:-

The Milwaukee® REDLITHIUM™ Battery Pack is the most durable pack on the market delivering more run-time, power and longer battery life.

REDLINK PLUS™ Electronic Intelligence enables advanced communication between your batteries and tools, allowing for unmatched levels of performance, protection, and productivity.

Hybrid Design: Provides benefits of both handheld and floor based drain cleaners in one machine

Drum Shield: Protects user & fixture during use

Removable Inner Drum: Helps prevent cable bind up and contains mess inside the drum
