### Features:-

The PLANEX Easy is the lightest long reach sander with direct drive on the market.

Unpack and get going

Operation is exceptionally easy, with no assembly or adjustment required.

Maintenance free, lightweight and intuitive in operation.

Preparation work in plasterboard rooms could hardly be easier or faster.

The PLANEX Easy is more durable than anything you've seen before.

Brushless motor without flexible shaft is maintenance free and provides optimum transfer of force.

Simple handling allows smooth sanding at maximum speed, while its low weight allows you to work for a long time without tiring.

This combination of mobility, versatility of use will bring you quickly

Reliably to your goal, top results and a perfect surface.

### Applications:-

Sanding plasterboard

Sanding plaster wall filler

Removing wall paper residue
