The MILWAUKEE M12 FUEL 1/2" Ratchet is the first cordless tool that provides both the torque and compact size to replace pneumatic ratchets in the industry. With up to 81Nm of max torque and 175RPM, this tool is the ideal fastening solution for automotive mechanics and maintenance and repair professionals who demand maximum performance and convenient portability. A low profile head and cordless design allows for our users to have more access in tight spaces than competitive units. With the industry leading M12 FUEL technology, a reinforced mechanism and investment cast steel yoke housing, this ratchet can withstand daily jobsite wear and tear for years of reliable use. Eliminate the constant maintenance of pneumatic ratchets and the nuisance of the air hose in the shop with the M12 FUEL Ratchet, which delivers the maximum portability and productivity for the professional user. **Features:**

Pneumatic ratchet performance with up to 81Nm max torque. Low profile head design allows users for more access in tight spaces Delivers 175rpm for increased productivity.

The industry leading M12 FUEL™ technology, a reinforced mechanism and investment cast steel yoke housing housing provides greater durability for the professional user. Variable speed metal trigger provides ultimate control of the tool.

Premium rubber overmold withstands corrosive materials and provides increased comfort when in use.

The LED light illuminates the work area while the on-board fuel gauge displays remaining run time.
