Shipping Weight (Gross)	0.9 kg

The M12 FUEL™ 1/2" Ratchet provides both the torque and compact size to complete demanding fastening applications on the jobsite. With up to 81Nm of max torque and 175 RPM, this tool is the ideal fastening solution for automotive mechanics, maintenance and repair professionals who demand maximum performance and convenient portability. A low profile head and cordless design allows for our users to have uninterrupted access in tight spaces. With M12 FUEL™ technology, a reinforced mechanism and cast steel yoke housing, this ratchet can withstand daily jobsite wear and tear. Eliminate the constant maintenance of pneumatic ratchets and the nuisance of the air hose in the shop with the M12 FUEL™ Ratchet, which delivers the maximum portability and productivity for the professional user.

### Features:

Pneumatic ratchet performance with up to 81Nm max torque.  
 Low profile head design allows users for more access in tight spaces  
 Delivers 175 RPM for increased productivity.  
 A reinforced mechanism and cast steel yoke housing provides maximum durability for the professional user.  
 Variable speed metal trigger provides ultimate control of the tool.  
 Premium rubber overmold withstands corrosive materials and provides increased comfort when in use.  
 The LED light illuminates the work area while the on-board fuel gauge displays remaining run time.

### Includes:
