Ideal for painter and decorators for sanding walls and ceilings. It allows to work easier, faster and less tiring. Ergonomic and strong design. Easy to use and light weight. Well-balanced machine guiding allowing to sand in several angles in an easy way. The motor placed in the upper position, near the sanding disc, makes the machine very handy and allows to work on walls and ceilings with total control. Big sanding capacity. Electronic speed control to choose the most suitable speed for the surface to be sanded and the sanding paper. Switch protected against the dust and distant from the sanding area. Dust collection nozzle with fast bayonet connector. Dust collection pipe (4 m) and carrying bag included as standard equipment.
