The DUO planer is a total new concept. Equipped with interchangeable tool holders for helicoidal blade and sanding roller.

Revolutionary, light, and easy-to-use double hand planer. Easy to adapt to the wanted finishing, just changing the tool holder with a helicoidal blade or sanding roller in few minutes.

Equipped from the factory with a cutter holder for helicoidal blade allowing perfect planing without marks, and with an abrasive roller for sanding several kinds of materials: wood and its products, solid surface materials, synthetic materials, stripping paints on flat surfaces...

Adjustable rear shoe regarding the cutting line of the tool holder.
