Shipping Weight (Gross)	1.48 kg

Netspray Degreaser & Multi Purpose Cleaner is a non-stick product without silicone for edgebanders. It avoids that rest of glue adhere to the trimming blades, front and rear cutting and other parts of the edgebander. It maintains these parts in an optional condition of work. It does not contain silicone in its composition, so it does not grease nor does it stain the parts of the machines or pieces to be banded. It avoids in the banded pieces, problems in after-treatments of painted, lacquer, varnished or other processes.
