SHOP SOILED 200MM (8") VARIABLE SLOW SPEED BENCH GRINDER 80-800VS BY RIKON

FINAL SALE - No Returns - Discounted - Please note this product has a slight grumbling when in use - this does not affect the machines performance - each machine is tested by our service team prior to sale

Variable Speed Bench Grinder 80-800VS is made for the metalworking trades, but is extremely useful in workshops for handling general metal cleaning, shaping, grinding and sharpening jobs. A great all-around companion to RIKON's low speed grinders that are set up and used mainly for sharpening woodworking tools. The VS Grinder features a front dial that easily controls the motor speed so that you can correctly set the wheel speeds to the different materials being worked on. The 60 grit grinding wheel is for tough metal removal and shaping. Includes a pull-out water tray, and flexible work light.

Features:

Includes 8" x 1" grey aluminum oxide abrasive wheel and 8" abrasive wheel

Base includes pullout water tray for cooling work pieces

Safety On/Off Switch and easy-read variable speed dial

Flexible Work Light (E27 Edison Screw (40W max) globe/bulb not included)

Optional Accessories:

Bench Grinder Stand

Abrasive Wheels

Abrasive Wheels
