

A4 DESKTOP MINI VACUUM PRESS / CRAFT FORMER BY OLTRE

Elevate Your Crafting with the Oltre A4 Craft Vacuum Former! Meet your new creative partner in the Oltre A4 Craft Vacuum Former, designed to bring your artistic visions to life. Crafted to accommodate A4-sized materials, this manually operated vacuum forming machine empowers artisans and makers to transform a variety of materials, including plastic and foam, into stunning industrial grade moulding creations. The Oltre A4 Craft Vacuum Former offers precision and versatility, making it a must-have tool for any crafting enthusiast and compact enough to fit on a desktop.

Oltre Craft Formers were specially designed with pre-programmed process controls and user sensors that make it easy to use on all appliances. The powerful ceramic heaters allow you to prepare the plastic sheet in a few minutes, whilst the built-in vacuum gives high accuracy and mould detail on each production cycle. Plastic Sheets ranging from 0.3mm to 3mm are available as special order with a maximum capacity height of 100mm. We also offers standard material with 0.5mm and 0.75mm thickness options.
