

300MM (12") BENCHTOP VARIABLE SPEED DRILL PRESS DP30016B-VS BY OLTRE

SKU	Option	Part #	Price
8601485		DP30016B-VS	\$689

Model	
Type	Drill Press
SKU	8601485
Part Number	DP30016B-VS
Brand	Oltre
Size	300mm (12")
Configuration	Benchtop
Technical - Main	
Table Size	240mm x 240mm
Speed Range	400-2500RPM
Dimensions	
Product Weight (Net Weight)	33 kg
Workshop (Site) Info	
Electrical Connection	corded
Warranty	
Warranty	2 Years (Home User) or 1 Year (Commercial User)
Packaging + Shipping	
Shipping Length	77 cm
Shipping Width	50 cm
Shipping Height	39 cm
Shipping Weight (Gross)	53.0 kg
Forklift / Tail Lift to Unload is Highly Recommended	✓
Shipping Notes	This product exceeds hand unloading limits and requires a tail lift truck or forklift at the unloading location (Receivers end). This product requires a skid / pallet / crate in order to safely transport via road.

This is a slightly larger bench pillar drill for hobby use. Robustly made from cast iron and machined steel for stability and strength. It has a true running chuck spindle and a good fit of the quill assembly into the headstock casting to ensure consistent drilling. Powered by a 1/3HP induction motor, Variable speed is adjusted with one simple lever and the speed is displayed on a large digital read-out.

- Features**
- Digital read-out accurately displays current spindle speed
 - Mechanical variable speed drive system for easy speed changes from 400-2500rpm with the simple turn of the speed adjustment lever
 - Set the depth adjustment knobs to limit your spindle travel for accurate and repeatable drilling operations
 - The table height is adjusted by a smooth rack and pinion system, makes adjustment easy
