Shipping Weight (Gross)	3.4 kg

Crescent Cable Ties are high quality, self-locking nylon cable ties that come packaged in a handy, resealable zip lock bag which enhances the life expectancy of the ties. The black cable ties are UV resistant, which prolongs useful life under sunshine/outdoor applications. Available in a range of sizes, these nylon UL approved cable ties are resistant to most chemical acids and are ideal for use in the home, office or workshop.

Black premium cable ties are UV resistant (takes the high-energy UV rays and converts them into heat before they can damage the polymer resin), prolonging life in indoor and outdoor applications

One piece construction, self locking virgin nylon 66 cable ties.

Extra strength due to heavier weight of material used

The handy zip lock resealable pack enhances the cable tie life expectancy

The nylon 66 UL approved cable ties are resistant to most chemical acids
